INVITATION

With the approach of the 7th annual Shorthorn sale to be held at Glenburn, we join in extending to all Shorthorn breeders and friends a warm invitation to visit us on Tuesday, October 5th, 1943.

More than ever, as beef producers, our sacred duty to help feed the starving peoples of Europe as soon as the barriers are down, should be coming home to us as the Allied war outlook improves. With the time getting shorter, the need more urgent, with feed less plentiful than usual in many parts of the country, there is a crying need for better breeding stock that will convert this feed into beef with the least possible waste. You can cash your culls at a profit and multiply your profits with better Shorthorns.

Quantity, quality and speed have been the keynote of this war. Shorthorns are the short-cut to quantity and quality in beef. They produce more and do it faster.

"More for your money" has again been the theme of the Beath, Deacon and Murphy herds in selecting this sale offering. We believe that the cattle listed in this catalogue have the type, quality and breeding you need.

Purchasers from the United States, in these Canadian sales reap the additional harvest of the official premium on U.S. funds. Seize this golden opportunity in the sale where your dollars go farther, not faster.

6. TERMS. Cash, unless other arrangements are made before sale.

Klaymor Royal —226788— by Collynie Royal Barrage (Imp.)

Senior champion bull at the Golden Gate Exposition at San Francisco in 1939, he had a string of 9 successive grand championships in 1939 and 7 in 1938.

During 1941 and 1942 his sons and daughters won 53 firsts and 44 championships. After nearly five years in this herd he was sold to the Dominion Government for use in an artificial breeding unit. He has been succeeded in this herd by his half-brother, Klaymor Forester.

Sons and daughters of Klaymor Royal sold at auction in 1942, averaged \$908, but his last crop at Glenburn, now here, looks even more promising. His greatest son, Glenburn Invincible, is being retained for service in this herd after being undefeated junior champion throughout the 1943 circuit of shows and grand champion at Calgary and Saskatoon.

GLENBURN SHORTHORNS

"Easier to buy than to beat."

During the past 16 years, the Glenburn herd, more than any other in Canada, has taken on all opposition at the largest Shorthorn shows from Ontario to the Golden Gate. The type and quality of the cattle from this herd have been recognized and approved by the best judges on the continent in awarding to them in the 16 year period, more first prizes than to all other Canadian herds combined. The 1943 herd has measured up to its predecessors by winning 42 of the 52 classes in which it was represented.

At the 1942 International Congress sale, Glenburn productions again came to the fore when Glenburn Hilltop by Klaymor Royal topped the Canadian consignment selling to Meyrose farms for \$1560. (U.S.), and Glenburn Duchess of Gloster K, by Glenburn Royal Ransom, topped the Canadian female consignment by selling to Merryvale Farms at \$900. (U.S. funds).

The 1943 sale offering is the best yet, including as it does most of the show herd, among them the reserve grand champion and undefeated junior yearling heifer. Grand heads, rich colours, and ideal type feature this consignment.

When at the farm, do not fail to see the 1943 crop of calves by Glenburn Royal Flush, Klaymor Royal and Klaymor Forester. We are proud of these youngsters, and believe them to be even better than their brothers and sisters which have preceded them.

SUPER STARS IN GLENBURN SKIES

LANDMARKS ON THE VICTORY TRAIL — PAST SIRES THAT MADE SHORTHORN HISTORY

EDELLYN FAVORITE =187387= by Browndale Count—1929 International Grand Champion 1928-29 C.N.E. and Royal Grand Champion—His get won more first prizes and championships at the International than any other Canadian sire of recent years.

GLENBURN FIELD MARSHALL =198503= by Edellyn Favorite—Grand Champion C.N.E. 1930-31-32 and Royal 1930-31—he and his get topped 4 classes in the Shorthorn World poll to select the most popular winners of their decade.

BRAWITH CHIEF =218911= by Collynie Victor Royal (imp.) by Rosehaugh Mandarin. His get were outstanding on the 1938-39 circuits of shows and as a group, with one exception defeated every get shown against them in Canada or the United States in those two years. 91 firsts and 69 championships and reserves was their two year record.

KILLEARN ROTHES =230980= by Lord Rothes the 1934 C.N.E. grand champion son of Walshford Paymaster (imp.). In two years, this bull sired in 1940 the grand champion steer over all breeds at the C.N.E., and the undefeated heifer calf of the Western shows; also in 1941, the undefeated summer yearling heifer on the Western circuit, the first prize junior yearling bull at the C.N.E. and the junior and reserve grand champion and undefeated heifer calf at the C.N.E. and the Western shows.

GLENBURN ROYAL RANSOM =235559= by Millhills Ransom (imp.) the \$15,000 Perth champion whose blood is making such a great contribution to the Shorthorn breed in Canada and the United States. A three-quarter brother of Millhills Senator of Allen Cattle Co. and Merryvale fame, he is from the same imported dam as Glenburn Royal Flush and the 1st prize show heifers, Glenburn Clipper Queen and Glenburn Clipper Queen 2nd. A daughter of Glenburn Royal Ransom topped the Canadian female consignment at the 1942 International Congress sale, and four sons and daughters have sold at U.S. auctions during the past 9 months for an average of \$775. Four other sons and daughters appeared this summer on the most strongly contested circuit of Western Canada shows in years, and scored 16 firsts out of a possible 16.

Klaymor Forester. Not only one of the highest-priced sons of the famous Collynie Royal Barrage (imp.), but one of the best bred, Klaymor Forester has developed remarkably well despite heavy service during the past year. He is deep and thick with a good head and great bone. His deeply fleshed loin, well-covered hocks, very long and full quarters, deep flank, full twist and round with meat right to the hocks, all round out about as perfect a hind end as you could wish. We believe he is well qualified to follow the great sires previously used in the herd. The first four Forester calves to arrive at Glenburn are ample vindication of our choice.

GLENBURN IMPREGNABLE—a very attractive dark red grandson of the Perth champion, Millhills Ransom (imp.), and a direct descendant of the famous old imported cow, Phingask Myrtle 2nd, whose progeny have done so much for the Edellyn and Glenburn herds. Glenburn Myrtle 5th was shown from a calf, and is the dam of the 1941 grand champion, Glenburn First Aid, now owned by Gilbert Elken of N. Dakota. Glenburn Myrtle 2nd, a full sister of Glenburn Myrtle 5th, was herself a champion and produced in succession the three outstanding champions, Glenburn Myrtle 4th, Glenburn Myrtle 6th and Glenburn Decoration.

GLENBURN ILLUSTRIOUS—deep and low, this good-headed bull made a consistently good record at the 1943 shows, and is improving all the time. This Butterfly family in the Glenburn herd has been second only to our Myrtles. Glenburn Butterfly 12th was a show winner from calfhood, and was a member of the get-of-sire group that in two years defeated every group but one that they met in Canada and at the International and San Francisco shows. A brother of this dam was the top-selling bull of the 1936 Congress sale.

She is extremely thick, deep, smooth and low with a beautiful head. Her dam is out of our great old breeding cow, Missie Brae, that produced such outstanding individuals as Glenburn Dauntless of Manitoulin fame; the champion Glenburn Cloudburst owned by H. M. Lee of Highgate, Ont.; and Glenburn Missie 5th sold as a cow in the 1938 Robbins-Jones sale to Arnold Bros. for \$1030. When at Glenburn be sure to see the latest calf from Glenburn Missie 9th. This heifer will be bred before sale time to Klaymor Forester.

This heifer's older brother, Glenburn Galahad, was three times senior champion in 1942. Her granddam, Edellyn Venus 3rd, was a full sister of the 1929 grand champion, Browndale Star, famous as the first half of Mr. Dorsey Jones' "perfect nick". GLENBURN BLOSSOM 8th—a good strong heifer that should be all the more valuable as a breeding proposition because she is not as highly fitted as many of the other heifers. Her 1943 full brother is outstanding and should be seen when you visit Glenburn. This heifer has a wealth of good breeding in every cross of her pedigree. She will be bred before the sale to Klaymor Forester.

GLENBURN BROADHOOKS 12th — a very thick, breedy heifer that should make a great cow. She made a good showing this summer although never able to get above 2nd in class. Her dam was one of the 1st prize pair of yearlings at Chicago in 1930, and as one of the "best two head" helped to win the Thos. E. Wilson Special. Glenburn Broadhooks bred regularly until over 14 years of age, and this heifer, her last calf, would not have been sold but for the fact that we have a sister breeding very well and regularly.

KLAYMOR BEAU IDEAL—by Collynie Royal Barrage (imp.) was the top bull sold at auction in 1938, when Beath Farms purchased him for \$1950. He is producing outstanding calves from the grand cows at Beath Farms. Several of these appear in the sale.

BEATH FARMS CONSIGNMENT

Ask any informed cattleman where can be found an outstanding herd of females, and nine times out of ten he will mention Beath Farms among the very tops in America. There is little doubt that Walshford Paymaster (imp.) was almost in a class by himself as a consistent sire of matrons of the highest type. When a cow or heifer from other herds was purchased for Beath Farms, she had to conform to the high standard of the daughters of the great Walshford Paymaster.

Bulls of sufficient merit to justify their use on females of such value were hard to find, but in Roland Clipper, a son of Drynie Roland (imp.) out of a daughter of Walshford Paymaster, and in Klaymor Beau Ideal by the famous Collynie Royal Barrage, Beath Farms have two such herd bulls.

All of Beath Farms' offering are by these two outstanding sires. Consequently this is Beath Farms' best offering and will be met with a good reception by all breeders who will attend this sale.

WILL JOHNSON of The Shorthorn World.

 junior shows last year and never beaten. The combination of Drynie Roland (imp.) and
 Walshford Paymaster (imp.) should not be overlooked.

BEATHTON ROSEWOOD 112th—her dam was junior and reserve grand champion at the Canadian National Exhibition and is now one of our best breeding cows. She is also the dam of our junior herd bull, Beathton Seal. This is a fine Rosewood pedigree and an even finer heifer.

KLAYMOR FAVORITE
—purchased in the last Klaymor sale for \$3400, the top price of the auction, this bull has developed well under heavy service. His first calves are very promising, so the heifers in this sale that carry his service deserve your special attention.

THE MURPHY CONSIGNMENT

From Murphy Bros'. Oakfield Farm come two bulls and thirteen females, as nice and uniform a lot of cattle as have been consigned by this progressive firm to any sale. Murphy's cattle are widely known throughout the continent for their excellent quality and splendid breeding. This offering will add to the good opinion which breeders everywhere have formed of their productions.

All of the members of this offering were sired by the excellent herd bull, O.A.C. Rasom 21st. A few of the heifers have been bred to Murphy's new herd bull, Klaymor Favorite. This cross should produce the best.

WILL JOHNSON (The Shorthorn World)

For Reference Only

O.A.C. RANSOM 21st =239523=

This great dark red proven sire, one of the three grand herd bulls of the noted Oakfield Farms herd, son of O.A.C. Ransom 2nd and grandson of the imported \$15700.00 Millhills Ransom, has proven to the purebred industry his ability to sire individual high quality in both bull and female get.

No breeder can fail to overlook the wealth of choice breeding that is responsible for the uniform characteristics of his sons and daughters. Few bulls in service to-day have produced as large a proportion of rich red and red roan, low set, deeply fleshed calves.

Two bulls and twelve females of this outstanding sire will be offered in this sale.
